# Resources for Operating a Successful Child Care Business

## For Child Care Providers

### CD:

#### ***Filling the Cookie Jar: Child Care Budgets & Cash Flow***

**This computer CD includes budget and cash flow spreadsheets for child care centers or family child care businesses. It allows providers to enter existing income and expenses, then experiment with different levels of enrollment, fees, hours, etc. It calculates profit/loss and allows for monthly variations over a one-year period. The family child care version includes a family (personal) budget and calculates hourly wages. Line-by-line instructions are included.**

### Workbook:

#### ***How to Open or Improve Your Family Child Care Business***

*(Also available in Spanish)*

#### ***Como iniciar o mejorar su negocio de cuidado infantil hogareño***

**This workbook lays the foundation for most aspects of a simple business plan. It helps family child care providers answer key questions related to their motivation, experience, supply and demand for services to be provided, business administration, pricing and operational budget. This workbook can be used in conjunction with *Filling the Cookie Jar: Child Care Budgets and Cash Flow*.**

*Available in Spanish and English. (21 pages)*

## For Developers

### Booklet:

#### ***Making Room for Children: Incorporating Family Child Care Homes into Multi-Family Affordable Housing Developments***

**This booklet uses a question and answer format to address concerns of developers who are interested in including family (home-based) child care in affordable housing developments. Topics include design, legal issues, costs, funding sources and management concerns.**

*(15 pages)*
